

**Table 90.05-1(a) (continued)**

Method of propulsion, qualified by size or other limitation. <sup>1</sup>		Vessels inspected and certificated under--			Vessels subject to the provisions of--		
		Subchapter D--Tank Vessels. <sup>2</sup>	Subchapter H--Passenger Vessels <sup>2, 3, 4, and 5</sup> or Subchapter K or T--Small Passenger Vessels. <sup>2, 3, and 4</sup>	Subchapter I--Cargo and Miscellaneous Vessels. <sup>2 and 5</sup>	Subchapter C--Uninspected Vessels. <sup>2, 3, 6, 7, and 8</sup>	Subchapter U--Oceanographic Vessels. <sup>2, 3, 6, 7, and 9</sup>	Subchapter O--Certain Bulk and Dangerous Cargoes. <sup>10</sup>
(2)	Column 1	Column 2	Column 3	Column 4	Column 5	Column 6	Column 7
	Motor, seagoing motor vessels ≥ 300 gross tons.	All vessels carrying combustible or flammable liquid cargo in bulk. <sup>5</sup>	i) All vessels carrying more than 12 passengers on an international voyage, except recreational vessels not engaged in trade. <sup>7</sup> ii) These regulations do not apply to-- A) Recreational vessels not engaged in trade. B) Documented cargo or tank vessels issued a permit to carry 16 or fewer persons in addition to the crew. C) Fishing vessels, not engaged in ocean or coastwise service, may carry persons on the legitimate business of the vessel <sup>6</sup> in addition to the crew, as restricted by the definition of passenger. <sup>7</sup>	All vessels, including recreational vessels not engaged in trade. This does not include vessels covered by columns 2 and 3, and vessels engaged in the fishing industry.	All vessels not covered by columns 2, 3, 4, 6, and 7.	All vessels engaged in oceanographic research.	All vessels carrying cargoes in bulk that are listed in part 153, table 1, or part 154, table 4, or unlisted cargoes that would otherwise be subject to these parts. <sup>12</sup>
(3)	Non-self-propelled, vessels < 100 gross tons.	All vessels carrying combustible or flammable liquid cargo in bulk. <sup>5</sup>	i) All vessels that-- A) Carry more than 6 passengers-for-hire whether chartered or not, or B) Carry more than 6 passengers when chartered with the crew provided, or C) Carry more than 12 passengers when chartered with no crew provided, or D) Carry at least 1 passenger-for-hire and is a submersible vessel. <sup>7</sup> E) Carry more than 12 passengers on an international voyage. <sup>7</sup>	All seagoing barges except those covered by columns 2 and 3.	All barges carrying passengers or passengers-for-hire, except those covered by column 3.	None.	All tank barges carrying cargoes listed in Table 151.05 of this chapter or unlisted cargoes that would otherwise be subject to part 151. <sup>1, 11, and 12</sup>
	Non-self-propelled, vessels ≥ 100 gross tons.	All vessels carrying combustible or flammable liquid cargo in bulk. <sup>5</sup>	i) All vessels that-- A) Carry more than 12 passengers-for-hire whether chartered or not, or B) Carry more than 12 passengers when chartered with the crew provided, or C) Carry more than 12 passengers when chartered with no crew provided, or D) Carry at least 1 passenger-for-hire and is a submersible vessel, or E) Carry more than 12 passengers on an international voyage. <sup>7</sup>	All seagoing barges except those covered by columns 2 and 3.	All barges carrying passengers or passengers-for-hire, except those covered by columns 3 and 6.	All seagoing barges engaged in oceanographic research.	All tank barges carrying cargoes listed in Table 151.05 of this chapter or unlisted cargoes that would otherwise be subject to part 151. <sup>1, 11, and 12</sup>
