

**Item 4(b)**-the most recent annual reports and most recent annual audit reports (of person filing notification and of each unconsolidated United States issuer included within such person) and, if different, the most recently regularly prepared balance sheet of the person filing notification and of each unconsolidated United States issuer included within such person. Alternatively, the person filing notification may incorporate a document by reference to an internet address directly linking to the document (see §803.2(e)(2));

**Item 4(c)**-all studies, surveys, analyses and reports which were prepared by or for any officer(s) or director(s) (or, in the case of unincorporated entities, individuals exercising similar functions) for the purpose of evaluating or analyzing the acquisition with respect to market shares, competition, competitors, markets, potential for sales growth or expansion into product or geographic markets, and indicate (if not contained in the document itself) the date of preparation, and the name and title of each individual who prepared each such document.

Persons filing notification may provide an optional index of documents called for by Item 4 of the Answer Sheets.

**NOTE:** If the person filing notification withholds any documents called for by Item 4(c) based on a claim of privilege, the person must provide a statement of reasons for such noncompliance as specified in the staff formal interpretation dated September 13, 1979, and § 803.3(d).

#### ITEMS 5 through 8

**NOTE:** For Items 5 through 8, the acquired person should limit its response in the case of an acquisition of assets, to the assets to be sold, in the case of an acquisition of non-corporate interests, to the unincorporated entity being acquired, and in the case of an acquisition of voting securities, to the issuer(s) whose voting securities are being acquired and all entities controlled by such issuer. A person filing as both acquiring and acquired may be required to provide a separate response to these items in each capacity so that it can properly limit its response as an acquired person. (See § 803.2(b) and (c).)

**Items 5(a)-5(c):** These items request information regarding dollar revenues and lines of commerce at three NAICS levels with respect to operations conducted within the United States. (See § 803.2(c)(1).) All persons must submit certain data at the 6-digit NAICS industry code level. To the extent that dollar revenues are derived from manufacturing operations (NAICS Sectors 31-33), data must also be submitted at the 7-digit product class level and 10-digit product code level (NAICS-based codes). Where certain published NAICS industry codes contain only 5 digits, the filing person should add a zero (0) after the fifth (5<sup>th</sup>) digit.

**NOTE:** See "References" listed in the General Instructions to the Form. Refer to the *2002 NAICS Manual* for the 6-digit industry codes and the *2002 Numerical List of Manufactured and Mineral Products (2002 Numerical List)* for the 7-digit product classes and 10-digit product codes. Report revenues for the 7-digit NAICS product classes and 10-digit NAICS product codes using the codes in the columns labeled "Product code" in the *2002 Numerical List*.

Nondepository credit intermediation (NAICS Industry Group Code 5222); securities, commodity contracts, and other financial investments (NAICS Subsector 523); funds, trusts, and other financial vehicles (NAICS Subsector 525); real estate (NAICS Subsector 531); lessors of nonfinancial intangible assets, except copyright works (NAICS Subsector 533); and management of companies and enterprises (NAICS Subsector 551) should identify or explain the revenues reported (e.g. dollar sales receipts).

Persons filing notification should include the total dollar revenues for all entities included within the person filing notification at the time this Notification and Report Form is prepared (even if such entities have become included within the person since 2002). For example, if the person filing notification acquired an entity in 2003, it must include that entity's 2002 revenues in items 5(a) and 5(b)(i). It must also include that entity's most recent year's revenues in Item 5(b)(iii) and/or Item 5(c).

**Item 5(a)**-*Dollar revenues by industry.* Provide aggregate 6-digit NAICS industry data for 2002.

**Item 5(b)(i)**-*Dollar revenues by manufactured product.* Provide the following information on the aggregate operations for the person filing notification for 2002 for each 10-digit NAICS product of the person in NAICS Sectors 31-33 (manufacturing industries).

**NOTE:** Where the *2002 Numerical List* denotes footnote 1 at the end of a specific Subsector, refer to Appendices A, and then B for detail collected in a specified Current Industrial Report. You must provide 10-digit NAICS product codes and descriptions listed in Appendix B.

**Item 5(b)(ii)**-*Products added or deleted.* Within NAICS Sectors 31-33 (manufacturing industries), identify each product of the person filing notification added or deleted subsequent to 2002, indicate the year of addition or deletion, and state total dollar revenues in the most recent year for each product that has been added. Products may be identified either by 10-digit NAICS product code or in the manner ordinarily used by the person filing notification.

Do not include products added since 2002 by reason of mergers or acquisitions of entities occurring since 2002. Dollar revenues derived from such products should be included in response to Item 5(b)(i). However, if an entity acquired since 2002 by the person filing notification (and now included within the person) itself has added any products since 2002, these products and the dollar revenues derived therefrom should be listed here. Products deleted by reason of dispositions of assets constituting less than substantially all of the assets of an entity since 2002 should also be listed here.

**Item 5(b)(iii)**-*Dollar revenues by manufactured product class.* Provide the following information concerning the aggregate operations of the person filing notification for the most recent year for each 7-digit NAICS product class within NAICS Sectors 31-33 (manufacturing industries) in which the person engaged. If such data have not been compiled for the most recent year, estimates of dollar revenues by 7-digit NAICS product class may be provided if a statement describing the method of estimation is furnished.
